

# multicultural kitchen garden meeting

**thurs. apr. 17<sup>th</sup>**

north shore neighborhood house | 225 east 2nd st, north van  
12-1:30pm | Marcino room

We are building a Multicultural Herb Garden at the Queen Mary Community Garden, and want to grow herbs and plants that are important to you and your culture.

Come and let us know what you would like to see growing.

In early May, come back and help us build and plant the garden for all to share!
