Thanksgiving is a Canadian tradition every October. Families and friends come together over a turkey dinner to celebrate the harvest and give thanks for the good things in their lives.

Share Thanksgiving is a matching service that connects one Newcomer family or group of friends with one Canadian family or group. The Canadian families host Newcomers for dinner and build connections.

It's free, a one-time commitment and easy!

Here is your opportunity to join a Canadian family for Thanksgiving dinner:

- **For more information**, talk to your settlement worker or visit www.sharethanksgiving.ca
