

Volunteer Agreement

I agree to participate as a volunteer for the Edible Garden Project (EGP) and the North Shore Neighbourhood House (NSNH) and I am willing to make a commitment.

I agree to fulfill my volunteer shift and be on time. If I am unable to fulfill my shift, I will contact the community coordinator in advance.

I agree to keep personal information regarding clients, gardens, participants and the affairs of the EGP and NSNH confidential and not exchange my personal information with clients. I understand that there are a number of extremely sensitive programs where a client's confidentiality could literally be a life threatening matter extending from something as simple as giving out a telephone number, information on where they live or their living arrangements. Personal concerns regarding a client/participant's health, welfare or safety should be reported immediately to your supervisor.

I agree to discuss any concerns or problems related to the volunteering position with the coordinator of volunteer services in a timely and appropriate manner.

I agree to treat with respect every individual at the EGP and NSNH. This includes clients/participants, community members, community agencies, staff and fellow volunteers.

I understand that failure to adhere to the policies and procedures of the Edible Garden Project and the North Shore Neighbourhood House, especially regarding confidentiality, may result in immediate dismissal.
